

## 2007 Irvington Mixed Doubles Tournament Final Results

Last year was my first Mixed Doubles Tournament at Irvington and I did not think we could have a better tournament. With no offense to 2006, the 2007 tournament was certainly something special. We had some memorable matches, great laughs, and spent 11 fun evenings together. It was all capped off by an exciting Annual Meeting and Party where everyone certainly seemed to have a great time. Congratulations to all of the 2007 Mixed Doubles Tournament Champions. They are as follows:
